

ESSENTIALS BASKETBALL GOAL

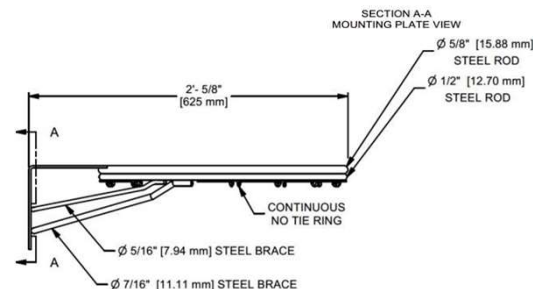

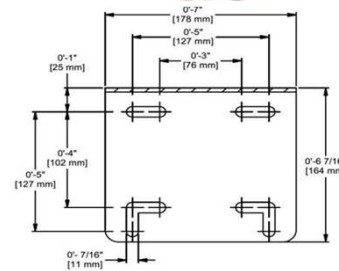

The standard institutional goal is designed to provide good performance and durability on Essentials range products.

Featuring a solid steel rim, the unit comes with continuous wrap tie net hooks, (dangerous segmented ties are not used) and dual bracing for additional strength.

Architectural Specification

- The goal shall be constructed with a solid high strength steel rod, with official sized 450mm ring and twelve continuous no-tie net attachments.
- Segmented hooks will not be accepted.
- The back plate shall be 5mm thick with 4 bolt connection to structure.
- The wing brace shall be 11mm diameter solid steel all welded construction.
- Goal shall have a durable orange powder coated finish and come complete with nylon net and hardware.
