

PRO BASKETBALL SYSTEM

Action
VENUE SYSTEMS PTY LTD

Professional level height adjustable basketball backstop from a FIBA certified manufacturer that's perfect for serious use. Includes many stadium quality features and comes complete with a 2-year warranty.

Features include:

- Full size 1800 x 1050mm armour glass backboard with steel frame.
 - Specially formed arms for maximum strength and durability.
 - Direct mount of goal onto structure of the system for maximum strength, just like the units in large professional arenas.
 - Variable 3050 - 2280mm height with large actuator for easy adjustment.
 - Clear view arena style backboard with hidden torsion braces.
 - Oversize 150mm powder coated posts for outstanding stability.
 - 1200mm clearance post to board for safer play.
 - Fitted with stadium design Quick-Connect® mounting system.
 - Certified for Australian Design Standards.
 - Safety padding kit upgrades available on request
- Full size backboard and safety padding kit upgrades available on request.

Designed for static installation only, for sleeved systems see the BBJAM or BNB24 systems. Other models also available in this range are the BBJAM and the ULTRA.

Product Code:
AVS-BBPRO
