

ULTRA BASKETBALL SYSTEM

Action
VENUE SYSTEMS PTY LTD

Deluxe height adjustable basketball backstop, perfect for home and primary school use. Includes many features similar to the stadium units and comes complete with a 2-year warranty.

Features include:

- Clear view arena style backboard with hidden reinforcements.
- Direct mount of goal onto structure of the system, just like the units in large professional arenas.
- Institutional quality dual spring outdoor goal for long life and consistent rebound.
- Variable height from 3050 - 2280mm for effortless adjustment
- Oversize 125mm square powder coated steel posts for rugged treatment.
- 900mm clearance post to board for safer play.
- Specially formed arms for maximum strength and durability.
- 1500 x 1000mm armoured glass backboard attached to a steel frame for additional strength and safety.
- Flat pack design for ease of transport and lower cost outlay.
- Certified for Australian Design Standards. Full size backboard and safety padding kit upgrades available on request.

Designed for static installation only, for sleeved systems see the BBJAM or BNB24 systems. Other models also available in this range are the BBJAM and the PRO.

Product Code:
AVS-BBULTRA
