

# LED BACKBOARD PERIMETER LIGHTING

## SC-LED - Red & Yellow Backboard Perimeter LED Lighting

The Yellow LED Perimeter display is a lighting system used near the top of the basketball backboard made of 1 yellow light strip. It is turned on when the shot clock reaches zero.

The Red LED Perimeter display is a lighting system consisting of 6 red light strips mounted around the backboard. Custom made for optimal integration on each backboard. It is turned on at the end of each game's playing period.

Required for all FIBA Level 1 & 2 competition and compatible with our entire basketball scoreboard range

Product Code: AVS-SC-LED
